A Versatile and Dependable Plan Service To Meet Your Home-Building Needs

STANDARD HOMES offers you a complete, "custom" plan service that makes it possible for you to get professionally prepared, detailed, home-plans at a very modest cost. A carefully selected variety of architectural styling is presented. These designs are combined with floor-plans that are painstakingly executed by expert designers to produce homes of fullest value and maximum service — homes that are designed to satisfy for generations. Below is detailed information about these designs, and about the several special services available to you, so that you may secure plans exactly tailored to your individual requirements.

STANDARDIZED DESIGNING. Plans for all designs in this book make use of standard dimensions, standard lumber lengths, standard items of materials and equipment, and conventional, standard construction practices. This standardization, plus skilled and imaginative designing, gives assurance to users of our plans that their finished homes will be the result of the right combination of good planning, good construction practices, and quality materials — at a minimum cost. Long lasting equity is thereby obtained.

YOUR PLANS INCLUDE the following working prints:

(1) Foundation sheet. (2) Floor plan sheet. (3) Elevation sheets, showing the house from all four sides. (4) Detail sheet. (5) Backing sheet, illustrating standard construction details applicable to all construction. Also included are: Specifications, Contractor's Estimate Forms, and Contract Form.

CHANGE IN PLANS. We will make changes in plans. Quite often a customer finds a design that requires minor changes to make it fit his needs. Typical changes are: Addition of a porch, garage, carport or breezeway; adding or removing a fireplace, enlarging a room or rooms, changing or moving a window or door. Although such work is "custom," and done to order, rates for such minor changes are reasonable, and are based on the actual drafting time required. If changes are required, write us, describing in detail the changes desired, and rates for such work will be quoted by return mail.

LOAN REQUIREMENTS. Every effort is made to make all plans meet current loan requirements. These requirements change from time to time, and sometimes, from locality to locality. If any plans purchased from this firm should be rejected because of a defect in the plans, we will make the corrections required without charge.

EXCHANGES AND REFUNDS. Full cash refund will be made on any plans returned within 10 days as unsatisfactory. This 10 day refund policy is made so that you may examine the plans without risk or loss. We do not make cash refunds or free exchanges on plans kept longer than 10 days. Such plans may be exchanged at any time for other plans from our books for a fee of \$5.00 per exchange. If plans are used for actual construction, they are not returnable or exchangeable.

Over

SPECIAL PLANS. If a customer cannot find a design that meets his requirements, we will prepare plans to order from rough sketches and information submitted by him. Customers desiring such special plans should write for rates, giving as much information as possible about the house they want.

ILLUSTRATED FLOOR PLANS in this book show dimensions to help you in selecting your home. These dimensions are for your use in preliminary selection only. They should not be used for accurate estimates or actual construction.

Room Sizes indicated are the sizes from wall to wall and allowances need not be made for wall thickness.

PLANS AVAILABLE AS YOU WISH TO BUILD

Designs pictured in this book are shown with the exterior wall material of **BRICK VENEER ON FRAME**, or of **SIDING**. The illustrated floor plans are for homes without basements with wood, joist-and-crawl-space, floor construction. Each of the designs, slightly revised, is also available with a basement—with inside stairway. In most instances we have inserted a small sectional floor plan drawing opposite the full floor plan, so that you can see how we have located the stairway in the basement plans.

In order that you may receive plans as you wish to build the house, we offer as part of our service the following variations from the plan shown in our plan book:

1. **WITH BASEMENT** showing inside stairway. These plans are available in either **BRICK VENEER EXTERIOR WALL** or **SIDING EXTERIOR WALL**. See Note (4).
2. Plans are available with **SIDING EXTERIOR WALLS** rather than **BRICK VENEER**. All inside arrangements in the plans would be the same as shown for either material. See Note (4).
3. **REVERSED PLANS** are available from stock in **BRICK VENEER** without basement. In order to see how a **REVERSED** plan will appear, hold the floor plan up to a mirror and view it from behind the book. This will show you the room arrangement in a reversed plan, but the lettering will also be reversed. The plans which you order **REVERSED** have been re-lettered so that they will read correctly.
4. **SIDING PLANS** or **BASEMENT PLANS** are **NOT** furnished **REVERSED**. Usually the contractor can build from a **STRAIGHT** set. If **REVERSED BASEMENT** or **SIDING** are required, these can be drawn up for an additional fee, and with a minimum delay.
5. **SLAB FOUNDATION** plans showing Slab Foundations rather than crawl-space or basements are available from stock in either **SIDING** or **BRICK VENEER EXTERIOR WALLS**. **SLAB FOUNDATIONS** for **REVERSED** plans drawn on order as special plans.
6. **CONCRETE EXTERIOR WALL** plans showing 8 inch concrete block or **MASONRY EXTERIOR WALLS** are drawn on order for a \$17.50 charge in addition to the stock plan prices.

ABOUT ORDERING PLANS. Plans may be ordered through your local building supply dealer, real estate dealer, contractor, savings and loan association, or direct. Give the name of the design, floor plan number, exterior wall material desired, state whether or not you want basement, and whether the plan is to be as shown, or reversed. Make the identification of plans as complete as possible. Stock plans are mailed the day we receive the order. Phone us collect on rush orders and you can pay the Postman when plans are **RECEIVED**.
